

Golf in Bodrum

The exclusive location of Vita Park Golf Course on a peninsula provides unique atmosphere for golfers. Vita Park Golf Course is based in the village of Bogazici peninsula situated between towns of Milas and Bodrum, in the province of Mugla.

In terms of golf course, Vita Park is described as; challenge, playability and natural beauty. Vita Park is the first golf resort in Turkey and only the third in Europe to use the high-cost paspalum turf grass which has been planted recently around the world and is accepted as environmentally friendly due to its lower consumption of water by 1/6.

Vita Park Golf Course consisting of two different 18 holes golf course, enables you to feel the comfort of playing golf with easily arranged tee times and professional caddie services
