KUMKAPI DISTRICT

Kumkapi, known as the Fisherman's Wharf, is a great outdoor dining area famous for its taverns and fish restaurants line many of the streets radiating from a small plaza.

Its vibrant atmosphere takes you into a crowd with its jammed street, restaurants side by side and tables that spill out onto the pavement and crowd up against each other. Great local ambiance with street musicians, gypsies playing local instruments such as darbuka and clarinet, singing songs, mingling with the guests joining them...
